Payments: Your American Express® Corporate Card statement is payable in full upon receipt. Payments received after 5:00 pm may not be credited until the next day. Payments must be sent to the payment address shown on your statement and must include the remittance coupon from your statement. Payments must be made in US currency, with a single draft or check drawn on a US bank and payable in US dollars or with a single negotiable instrument payable in US dollars and clearable through the US banking system, or through an electronic payment method clearable through the US banking system. Your Account number must be included on or with all payments. If payment does not conform to these requirements, crediting may be delayed and additional Charges may be imposed. If we accept payment made in a foreign currency, we will choose a conversion rate that is acceptable to us to convert your remittance into US currency, unless a particular rate is required by law. Please do not send post-dated checks. They will be deposited upon receipt. Our acceptance of any payment marked with a restrictive legend will not operate as an accord and satisfaction without our express prior written approval.

Authorization for Electronic Debit: We will process checks electronically, at first presentment and any representments, by transmitting the amount of the check, routing number, account number, and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. By submitting a check for payment, you authorize us to initiate an electronic debit from your bank or asset account. When we process your check electronically, your payment may be debited to the bank or asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your bank or asset account statement. If we cannot collect the funds electronically we may issue a draft against the bank or asset account for the amount of the check. If you currently send in an individual payment for expenses on the Corporate Card, please note that you are eligible to pay your bill online.

Authorizations for Electronic Payments: By using Pay by Computer, Pay by Phone or any other electronic payment service of ours, you will be authorizing us to initiate an electronic debit to the financial account you specify in the amount you request. Payments received after 5:00 pm may not be credited until the next day.

Transactions Made in Foreign Currencies: If you incur a Charge in a foreign currency, it will be converted into US dollars on the date it is processed by us or our agents. Unless a particular rate is required by applicable law, we will choose a conversion rate that is acceptable to us for that date. Currently the conversion rate that we use for a Charge in a foreign currency is no greater than (a) the highest official conversion rate published by a government agency, or (b) the highest interbank conversion rate identified by us from customary banking sources, on the conversion date or the prior business day, in each instance increased by 2.5%. This conversion rate may differ from rates in effect on the date of your Charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use.

In Case of Errors or Questions About Your Bill: If you think your bill is incorrect, or if you need more information about a transaction on your bill, please call 1-800-528-2122 or the number on the back of your Card. You can also write us on a separate sheet of paper at the Customer Service address noted to the right. Requests for refunds of credit balances (designated "CR") should be made by calling us at 1-800-528-2122 or the number on the back of your Card. Billing disputes can also be initiated online. This applies to Corporate Cards only, not Cards issued under the Corporate Defined Express Program.

In Case of Errors or Questions About Electronic Transfers: Please contact us by calling 1-800-IPAY-AXP for Pay By Phone, Pay By Computer issues and automatic payment issues.

When Contacting Us Regarding Errors or Questions: We must hear from you no later than 60 days after we send you the first bill on which the error or problem appeared. When contacting us, please give us the following information: 1. Your name and account number; 2. The dollar amount of the suspected error; 3. Describe why you believe there is an error. If you need more information, describe the item you are unsure about. You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect

Important Information about Your Account

Your Client Agreement contains all of the terms of your account. The following terms are only some of the Client Agreement terms, and other fees may apply. Your Client Agreement, including a Summary of Rates, Fees, and Other Costs that may apply to your account, is available by calling the number on the back of your cards or through your online customer portal.

WAIVER OF JURY TRIAL; BINDING ARBITRATION. As detailed in your Client Agreement, you or FLEETCOR may, without the other's consent, elect mandatory, binding arbitration for any claim, dispute, or controversy between or among such parties arising from or in any way relating to the Cards or Account, a prior related account, or the relationship of such parties, including without limitation claims regarding the application, enforceability, or interpretation of this Agreement and this arbitration provision, and no matter what legal theory such claims are based on or what remedy (damages, or injunctive or declaratory relief) such claims seek. The party filing for arbitration must choose one of the following arbitration firms and follow its rules and procedures for initiating (including paying the filing fee) and pursuing arbitration before a single neutral arbitrator: American Arbitration Association, National Arbitration Forum, or JAMS. To accommodate the right to arbitrate, you agree that you will neither assert, nor participate in, a class action or other representative action or proceeding related to this Agreement, the Account, the Cards or any other aspect of your relationship with FLEETCOR. Claims must be brought in the name of an individual person or entity and must proceed on an individual (non-class, non-representative) basis.

Governing Law. Your Client Agreement is governed by the law of Louisiana, without regard to Louisiana's conflicts of laws principles.

Payment. You must make full payment of the required amount due on the invoice by 4:00pm Eastern Time the Due Date to avoid Late Fees and Finance Charges. If we do not receive your payment for the required amount by 4:00pm Eastern Time on the Due Date, you may not be able to make any further purchases until such time that you pay the entire outstanding balance on the Account.

Standard Payment Methods

- 1. Client Check. You may submit payment by valid check equal to the total balance due shown on the invoice. Conforming check payments received at lockbox facility address as displayed on invoice by 4:00 p.m. Eastern Time on a business day (Monday through Friday of each week, excluding banking holidays) will be credited to your Account as of the date received. To be considered a conforming check payment, it must be recognized by the lockbox facility as "conforming" which includes, but is not limited to, the following criteria: a single check without check skirt; sent in the envelope we provided with the remittance coupon in the lower portion of the invoice summary; one check per Account per invoice. Non-conforming check payments will be credited to your Account as of the next business day. In the event your invoice reflects a Due Date which falls on a day which is not a business day, your check payment must be received by 4:00 p.m.
- 2. Client Initiated Online Payment. You may submit payment via the online account management system. Payments made online and received before 4:00 p.m. Eastern Time on a business day will be credited to your Account as of the date received, otherwise online payments will be credited to your Account the next business day.

Non-Standard Payment Methods **Fees Apply: Consult Your Client Agreement For Fee Details and Amounts For Your Program. **

- Non-Conforming Check. A fee per occurrence applies for a check payment that: (i) is sent to an address other than the lockbox facility
 address as displayed on your invoice; (ii) is attached to a check skirt; (iii) is not sent with the remittance coupon in the envelop we
 provide; or (iv) includes more than one check per Account per invoice.
- 2. Pay by Phone. A fee per occurrence applies for payment that you initiate and request by phone through a customer service representative. Payments made by phone received by 4:00 p.m. Eastern Time on a business day will be credited to your Account as of the date received, otherwise pay by phone payments will be credited to your Account the next business day. You can avoid the Check by Phone Fee by making a conforming check payment or by using the online account management system to pay your Account.

 occurrence applies to initiate, at your request, a debit to your Bank Account to pay the total balance due on the invoice. Your program
 may also apply a one-time setup fee to enable EFT/ACH payments.
- 4. Returned Payment. A fee per occurrence applies if any payment is returned or denied. At our option, we will assess this fee the first time your check or payment is not honored even it is honored upon resubmission. We will also charge the applicable Late Fees and Finance Charges Incurred if balance is not received by Due Date due to returned payment. In addition, if payment is returned or denied, we may prevent you from making any further purchases using the Cards until such time that you pay the outstanding balance in the Account.

Late Payment and Finance Charges. If you do not make full payment of the required amount due on the invoice by 4:00pm Eastern Time on the Due Date, then you will pay a Late Fee and/or a Finance/Interest Charge. Please consult your Client Agreement for the fee details and amounts that apply to your program.

High Credit Risk Account (Level 2 Pricing). Level 2 (High Risk) Pricing may apply to your Account if your Commercial or Consumer Credit Score is below Fuelman's threshold (600 for commercial credit scores and 670 for Individual credit scores), or the score drops by fifty-one (51) points or more in any 3 month rolling period, or you incur one late fee or more in any 12-month rolling period, or you are 30 days or more delinquent in any 12-month rolling period, or make a payment that is not honored by your bank. Level 2 Pricing is an incremental charge above your current pricing and the maximum increase is thirty cents (\$0.30) per gallon purchased. Level 2 Pricing stays in effect until you are no longer a High Credit Risk Account. Fuelman will review each High Credit Risk Account at least once every three months for changes in creditworthiness. Please consult your Client Agreement for the fee details and amounts that apply to your program.

Important Information about Your Account

Your Client Agreement contains all of the terms of your account. The following terms are only some of the Client Agreement terms, and other fees may apply. Your Client Agreement, including a Summary of Rates, Fees, and Other Costs that may apply to your account, is available by calling the number on the back of your cards or through your online customer portal.

WAIVER OF JURY TRIAL; BINDING ARBITRATION. As detailed in your Client Agreement, you or FLEETCOR may, without the other's consent, elect mandatory, binding arbitration for any claim, dispute, or controversy between or among such parties arising from or in any way relating to the Cards or Account, a prior related account, or the relationship of such parties, including without limitation claims regarding the application, enforceability, or interpretation of this Agreement and this arbitration provision, and no matter what legal theory such claims are based on or what remedy (damages, or injunctive or declaratory relief) such claims seek. The party filing for arbitration must choose one of the following arbitration firms and follow its rules and procedures for initiating (including paying the filing fee) and pursuing arbitration before a single neutral arbitrator: American Arbitration Association, National Arbitration Forum, or JAMS. To accommodate the right to arbitrate, you agree that you will neither assert, nor participate in, a class action or other representative action or proceeding related to this Agreement, the Account, the Cards or any other aspect of your relationship with FLEETCOR, Claims must be brought in the name of an individual person or entity and must proceed on an individual (non-class, non-representative) basis.
