The food items listed below are those that our program used to prepare meals during the past program year. Please enter the information as it best suits the product and packaging your company has to offer. Add any additional items that you would like to recommend in the spaces below in each section. Please note our program must comply with USDA and CACFP guidelines and requirements. If you do not offer a particular item, simply put n/a in the case value and return the spreadsheet as your bid.
